COMMENTS:						
 The August 30, 2005, amendments deleted language that did the following: authorized the Board of Equalization to appoint it's executive officer, prohibited the Board's participation in personnel matters, except as defined, and required the Board to make public and available on the Internet staff decisions and recommendations for which a decision is rendered by the Board. The August 26, 2005, amendments require the Board of Equalization to make available to the public a statement indicating whether the Board's decision on tax disputes involving the imposition of tax or fees modified, upheld, or overruled the staff's recommendation and the vote of each member voting on the matter. The amendments require the Board to make this statement available no later than the close of the second business day following the date the decision is rendered and applies only to those matters where a staff decision and recommendation is furnished to the Board. The provisions of this bill do not impact the Franchise Tax Board.
